

## XVII AIMC CONGRESS

SICILY - M O N R E A L E

25 - 27 MAY 2020

Congress theme:

### **CONTEMPORARY MOSAIC – *Routes in evolution***

The XVII congress of the International Association of Contemporary Mosaicists which will take place in Sicily-Monreale from 25 to 27 May 2020, will be a unique opportunity to meet mosaicists from all over the world, to confront each other on the developments tgyy*mosaic* and share the **evolving routes** of the contemporary mosaic art.

It will be a unique occasion to :

- admire the exhibited works, created by the AIMC members;
- listen to the presentations of the mosaicists which will highlight the theme of the congress;
- debate on the evolving routes of the art of contemporary mosaic;
- enjoy the delicacies of Sicilian cuisine during the Gala Dinner;
- visit the Arab Norman route of Palermo, Monreale and Cefalù, a UNESCO World Heritage;
- admire the splendor of the mosaics of the Villa del Casale in Piazza Armerina;
- admire the uniqueness of the landscape of the western coast of Sicily, with the characteristic Windmills of the Trapani Salt Pans;
- visit Erice, the marvelous Phoenician and Greek town, protected by the goddess Venus;
- admire the songs and dances of Sicilian folk groups.

You will soon receive a detailed program and registration forms for the congress and for participation to the post-congress excursions of **28, 29 and 30 May 2019**.
